Assignee hereby disclaims, except as provided below, the terminal part of the statutory term of any patent granted on said Application, beyond the expiration date of the full statutory term of a patent, if granted, on co-pending Patent Application Nos. 09/828,016, 09/827,863, 09/828,018, 09/827,436, and 09/828,015 (hereinafter "said co-pending Applications"), which are owned by Assignee by virtue of an assignment recorded October 3, 2002, at Reel 013350, Frames 0604. The undersigned is empowered to act on behalf of Assignee.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
